TAMMANY'S CANDIDATE

Robert A. Van Wyck Named For Mayor of Greater New York.

THE CHICAGO PLATFORM IGNORED

Brook Coler, of Brooklyn, For Comptroller and Jacob Ruppert, Jr., For President of the Council—Little Enthusiasm Over the Nominations.

New York, Oct. 1.—The Democratic city convention last night nominated these candidates for officers of greater New York: For mayor, Robert A. Van Wyck of Manhattan; comptroller, Bird S. Coler of Brooklyn; president of the council, Jacob Ruppert, Jr., of Manhattan. The ticket had been agreed upon by the Tammany executive committee before the convention met, and the delegates simply ratified the choice of the leaders.

The platform makes no reference to the Chicago platform, William J. Bryan or free silver. It favors home rule and repeals the Rainey law and other restrictions of personal liberty, and demands dollar gas and municipal ownership of franchises. The nominations evoked disapproval rather than enthusiasm in the convention hall.

A noticeable feature of the elaborate decorations of the convention hall, the Grand Central Palace, was the absence of the pictures of the old leaders of the Democratic party, which were always displayed over the platform at previous conventions.

The sections on either side of the main hall under the balconies were literally packed with the male contingent of the audience. Men stood on the backs of chairs and crowded into the aisles. Every one downstairs seemed to be smoking, although the boxes in the balconies contained many ladies. A bar at the end of the platform did a rushing business as soon as the doors were thrown open.

Just before the convention was called to order Alderman Tait got into a rough and tumble fight with a member of his delegation. The fight was fast and furious. The other man was put out of the hall.

The meeting was called to order by John C. Sheehan, and Congressman A. J. Cummings was temporary chairman. He was succeeded by Almet F. Jenks as permanent chairman.

The name of Robert A. Van Wyck for mayor was presented by Justice John H. McCarthy. The demonstration for Van Wyck was confined to strict organization men. All of the boroughs voted for Van Wyck without any hitch other than a brief interruption by John J. Foot, who protested against the vote of the borough of Brooklyn being cast for Van Wyck.

Robert A. Van Wyck, the candidate for mayor, was born in this city 49 years ago, and his family has been here for two centuries. He was graduated from the New York Law school in 1872, joined Tammany, left it to go into the county Democracy, then went to the old organization. He was elected to a Justicehip in the city court in 1889. Now he is presiding justice of the city court. He voted for Bryan. The Justice is a member of the Holland society and of many other social clubs. He is married.

Bird S. Coler, the candidate for comptroller, is a Brooklyn banker. He is, it is reported, a free silver man, and supported Bryan.

Jacob Ruppert, Jr., the candidate for president of the city council, was born in this city in 1867, and is the son of Jacob Ruppert, the brewer. He has never run for office. In 1889 he was appointed a colonel on the staff of Governor Hill. He is a member of numerous clubs and popular in German society.

The executive committee of the German-American Union, after learning of the nomination of Van Wyck for mayor by the Democratic convention, adopted resolutions strongly urging the candidacy of Beth Low.

No need to fear the approach of croup if you have Dr. Thomas' Electric Oil in the house. Never was a case that it wouldn't cure if used at the outset.

Robbed the Orphanage. New York, Oct. 1.—Alfred Klappenschutz was turned over to Sergeant O'Donnell, of the Baltimore police, yesterday. Klappenschutz is charged with having made away with \$1,500 worth of personal property left in his care for the children of Frederick Haren, who died in Baltimore last February. Pawn tickets for the missing property were found in his trunk.

Rheumatism, Oh the Pain!

The aches and pains of Rheumatism become a constant companion to all who are victims of this disabling disease. Much suffering could be avoided if the first warning pains of Rheumatism were heeded and the proper treatment at once taken. But the people generally are not acquainted with the cause of the disease, though thousands know its tortures. Those who use liniments and ointments cannot understand why they grow worse each winter, and for themselves gradually becoming unable to get around as they once could; yet they know that their trouble came on at first as little aches and pains, which hardly attracted their attention!

Everybody should know more about Rheumatism, they should know that it is a peculiar condition of the blood upon which all the liniments in the world can have no effect whatever. The best blood remedy is needed—one which is able to go to the very seat of the disease, and force it out. Swift's Specific (S.S.S.) is the right remedy for Rheumatism because it is the only blood remedy free from mercury, potash and other minerals which intensify the disease, causing stiffness of the joints and aching of the bones.

Swift's Specific being a real blood remedy never fails to cure Rheumatism. It reaches even the worst cases where the doctors have made cripples with their prescriptions of potash and mercury.

Mr. D. R. Johnson, an extensive lumber dealer of Blackshear, Ga., writes: "My wife was for years a sufferer from Rheumatism, and was treated constantly, but could obtain no relief. The pain was first felt in her left shoulder, and extended in all directions, increasing in severity. The doctors said the disease was liable to strike the heart at any time, in which event death would be inevitable.

Every kind of treatment recommended for Rheumatism was given her, including many blood remedies, but none did her any good. She was growing worse all the while, and was reduced to a mere shadow of her former self.

"It was at this critical period that Swift's Specific was given her; the medicine seemed to reach the disease promptly, and she at once began to improve. One dozen bottles effected a complete cure, and she has had no touch of the disease since."
